Best of Novels for Students

NOTHING BUT THE BEST FOR YOUR STUDENTS

Frankenstein. Check. The Great Gatsby. Check. To Kill a Mockingbird. Check.

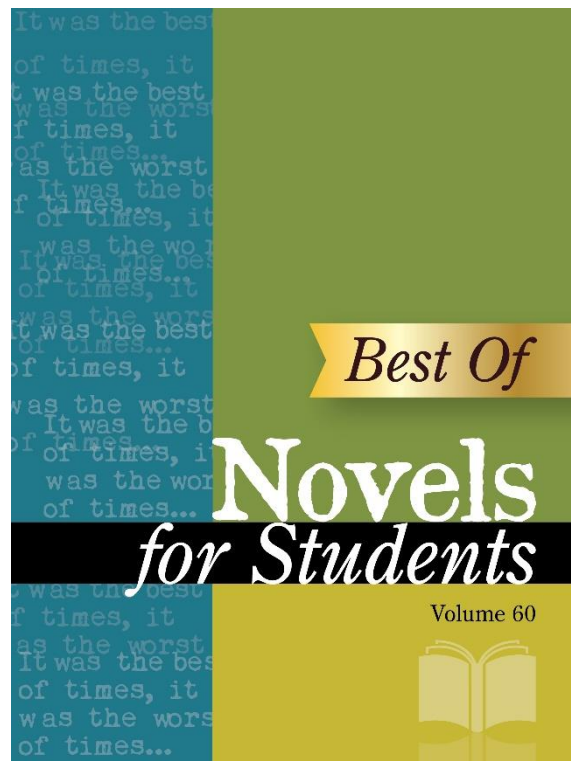

Of the 14 classic and popular novels covered in the newly released *Best of Novels for Students*, I have taught 65% of them in my English classroom. This is exciting because it is an all-in-one resource for students and teachers, chock full of new entries, commentary, critical thinking questions, classroom activities, primary sources and other additional features.

What makes me even more excited?

There are THREE MORE volumes set to be released that will cover the best of poetry, short stories and drama. My entire curriculum is within these volumes! It truly is the best.
